

Montgomery College Library FY24 Priorities Library Master Plan FY 22 – FY 24

Research and Teaching

LMP 3.1 *Develop a culture of ongoing purposeful library assessment and data-driven decision making*

Division Goal 1

- Increase pre/post-test use with classes and refine questions based on results

Resources and Collections

LMP 2.1 & 2.2 *Expand the MC Library's reach through updated technology in instruction, support, remote library services, and student-centered user experience initiatives*

Division Goal 1

- Create data dashboards in Alma Analytics tracking collections use and technical services productivity; in addition, establish e-textbook program selection best practices, based on acquisitions and usage trends

LMP 3.2 *Develop a culture of ongoing purposeful library assessment and data-driven decision making*

Division Goal 2

- Responsive User Experience: RaptorSearch usability study, Phase 3
 - Execute final phase of the RaptorSearch discovery services usability study, make recommendations, and implement interface changes

Access Services

LMP 1.2 *Develop a long-term succession plan for all library divisions*

Division Goal 1

- In collaboration with HRSTM's Compensation and Classification department, evaluate job responsibilities and library specialist classification structure. Additionally, staffing needs in anticipation of the opening of the East County Education Center in fall 2024 will be re-evaluated.

Director's Office

LMP 4.2 *Develop strategic partnerships to position MC Library as an essential part of the College's academic mission*

Division Goal 1

- Explore partnerships with Student Affairs and Facilities to implement family-friendly spaces in library facilities.

LMP 5.2 *Respond to user needs through ongoing assessment strategies to ensure we create inclusive and sustainable spaces that foster collaboration and creativity, and library users feel welcomed and empowered*

Division Goal 2

- In collaboration with the Facilities design planners and library staff, recommend updates to the design programs and develop the schematic designs for the Germantown and Rockville Library renovations
